REORGANIZED DEBTOR.	§	

**AMENDED AGREED ORDER MODIFYING CERTAIN
FINAL DISEASE CURE DEADLINES**

On December 12, 2007, the Court entered the *Agreed Order Modifying Certain Final Disease Cure Deadlines* (Docket # 603) (hereinafter “Agreed Order”) setting forth final disease cure deadlines for certain claimants who filed claims for certain eligible diseases or conditions. The Claims Administrator and the parties have requested additional time to complete the dissemination of the guidelines regarding disease and disability criteria that are under the terms of the Agreed Order scheduled to be published on October 10, 2008 and certain dates thereafter. Therefore, it is **ORDERED** that the Agreed Order is amended as follows:

- a) **Systemic Lupus Erythematosus (SLE)** - On or before November 3, 2008, the SF-DCT shall release information in the manner described in the Agreed Order concerning Systemic Lupus Erythematosus (SLE) claims. Claimants who received a Notification of Status letter from the SF-DCT stating that the SF-DCT reviewed their claim for SLE and it was deficient AND whose cure deadline for SLE has or will run on or before May 3, 2009 (such claims are “Covered SLE Claims and such claimants are “Covered SLE Claimants”) must cure the deficiencies in their Covered SLE Claim on or before May 4, 2009. This is the final cure deadline for Covered SLE Claims. Covered SLE Claimants who do not cure their deficiency on or by May 4, 2009 will have their SLE claim denied

pursuant to Section 7.09(b) of the Settlement Facility and Fund Distribution Agreement.

- b) **Atypical Connective Tissue Disease (ACTD)** - On or before January 9, 2009 the SF-DCT shall release information in the manner described in the Agreed Order concerning Atypical Connective Tissue Disease (ACTD) claims. Claimants who received a Notification of Status letter from the SF-DCT stating that the SF-DCT reviewed their claim for ACTD and it was deficient AND whose cure deadline has or will run on or before July 8, 2009 (such claims are "Covered ACTD Claims and such claimants are "Covered ACTD Claimants") must cure the deficiencies in their Covered ACTD Claim on or before July 9, 2009. This is the final cure deadline for Covered ACTD Claims. Covered ACTD Claimants who do not cure their deficiency on or by July 9, 2009 will have their claim denied pursuant to Section 7.09(b) of the Settlement Facility and Fund Distribution Agreement.

This Amended Order is intended only to change the dates for the dissemination of the disease and disability information described above and the specific cure deadlines for the claims defined above as Covered ANDS Claims, Covered SLE Claims and Covered ACTD Claims. All other provisions in the Agreed Order of December 12, 2007 remain in effect. Neither this Amended Order nor the Agreed Order amends or is intended to amend any provisions of the Amended Joint Plan of Reorganization.
