I think this kind of email of you to the Court extremely inappropriate. You should have contacted me first.

Subject: In re Settlement Facility Matters

Good evening Ms. Daley – We hope you are well. We are contacting you because the Court recently has received briefs on a Motion to Expedite filed by counsel for Korean Claimants (copied on this email) addressing a previous Motion to Extend. Now that these motions are fully briefed, we thought it might be appropriate to consider setting a hearing to address both. Would it be possible to identify some available dates for a zoom hearing? In general, the Debtor’s Representatives and the CAC can be available between August 1 and August 16 and August 30 through the end of September, subject of course, to the convenience of the Court. I don’t know Mr. Kim’s availability but I assume he can respond to this email with available dates. Thank you.
