**Re: The MDL 926 Settlement Fund - Claims Filed with the Settlement Facility -
Dow Corning Trust ("SF-DCT") Under SF-DCT's Lien Mediation Procedures;
Our File No. 2871-5 {AA}**

Dear David:

I hope that you are well.

In connection with the Lien Procedures now before the Honorable Denise Paige Hood, please provide us with the following information and documentation:

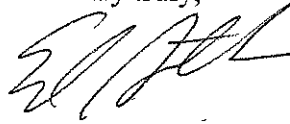

1. Best addresses for each of the 68 claimants for whom we have filed a lien with SF-DCT, to facilitate our providing good notice as committed by us to the Court.
2. As required in your Lien Procedures at Paragraph 4.02(d), for each of the 68 lien claims, please indicate if you sent a notice of our lien to the claimant, and provide any response received from the claimant. This will help us prepare our granular presentation to the Court, as suggested by Ralph Knowles.
3. For which of the 68 claims, does SF-DCT have an administrative hold? Please explain the administrative hold for each, so that we can take it into account in our granular presentation.

If convenient, please provide the foregoing within fourteen days, to facilitate our timely filing on June 29th.
