**NOTICE TO CLAIMANTS REGARDING THE FINAL DEADLINE TO CURE  
PROBLEMS IN YOUR ACTD CLAIMS**

**PLEASE READ THIS LETTER CAREFULLY! IT CONCERNS YOUR  
DEADLINE.**

Dear Claimant or Claimant Attorney:

Your deadline to submit documents to cure or fix problems with your ACTD claim (Atypical Connective Tissue Disease) in Disease Option 1 is **JULY 9, 2009**. This is your final deadline. If you do not submit documents to fix the problems in your claim, the ACTD claim you submitted will be permanently denied. For more information, review Section 7.09(b)(ii)(3) in Annex A (the Claims Resolution Procedures which is available online at [www.sfdct.com](http://www.sfdct.com)) and Q3-10 in the Disease Claimant Information Book. **No extensions will be allowed.**

To schedule a call with the Disease Call Specialist at the Settlement Facility to discuss your disease claim, call us at 1-866-874-6099. We will schedule calls through Friday, June 19, 2009. Due to the anticipated volume of calls, we strongly suggest that you call us now to set up a date and time. Do not wait until the last minute to take action.

Sincerely,  
Settlement Facility – Dow Corning Trust
