IMPLANT PRODUCTS LIABILITY )  
LITIGATION (MDL-926) ) (Applies to cases listed in Appendix)

**ORDER No. 39A  
(Remanding Listed Cases to State Court)**

Pursuant to Order No. 39, and after considering the responses of the parties (as discussed in Opinion No. 39A filed concurrently herewith), it is ORDERED as follows:

1. The cases listed in the appendix to this order will be remanded to the indicated state courts upon docketing and entry of orders previously signed in such cases and subject to the terms and conditions of this order.

2. The terms and conditions under which such remands are effected are as follows:

(a) All claims against Dow Corning Corp. and Dow Corning Wright (including any crossclaims or third-party claims by defendants against Dow Corning Corp. or Dow Corning Wright) are, to the extent not previously dismissed, severed and not remanded. Such claims are, however, administratively closed in this court and dismissed without prejudice to the institution and pursuit of such claims in the United States District and Bankruptcy Courts for the Eastern District of Michigan in accordance with procedures established in those courts. This court retains jurisdiction to vacate such dismissals and reopen such claims against Dow Corning on written motion if filed within 30 days after reorganization proceedings of Dow Corning are dismissed or within 30 days after the Eastern District of Michigan determines that reopening of such cases against Dow Corning is the procedure to be followed in liquidating such claims.

(b) All claims by any party against The Dow Chemical Company, Inc. and Dow Holdings Inc. are, to the extent not previously dismissed or transferred, severed and transferred to the United States District Court for the Eastern District of Michigan, which will determine whether any of such claims should be remanded (or allowed to proceed in state court as a consequence of federal court abstention).

(c) As explained in Order No. 30 and Order No. 30G, all claims against the following companies have been dismissed with prejudice: Bioplasty, Inc.; Bio-Manufacturing, Inc.; Cabot Medical Corporation; Corning, Inc.; Foamex Products, Inc.; General Felt Industries, Inc.; Knoll International Holdings, Inc.; Recticel Foam Corporation; Scotfoam Corporation; Scott Paper Company; Surgitek, Inc.; '21' International Holdings, Inc.; '21' Foam Company, Inc.; and Uroplasty, Inc.

(d) Any claims against Mentor Corporation; Mentor Polymer Technologies, Inc.; Mentor O&O, Inc.; Mentor H/S, Inc.; Mentor Urology, Inc.; Mentor International, Inc.; and Teknar Corp. relating to breast implants implanted before June 1, 1993, are dismissed with prejudice.

(e) All claims against General Electric Company have been dismissed with prejudice pursuant to Order No. 38. The plaintiffs in the listed remanded cases have, by not responding to the show cause directions contained in Order No. 39, disavowed any

participation in any appeal with respect to Order No. 38.

(f) Any claims against Union Carbide Corporation based on its 1990-1992 ownership of McGhan NuSil Corporation remanded to the indicated state courts, but may be pursued in state court only upon demonstration that the plaintiffs, if eligible, timely opted out of the original Global Settlement or the Revised Settlement Program provided by that defendant. All other claims against Union Carbide Corporation, as well as all claims against Union Carbide Chemicals and Plastics Company, Inc., have been dismissed with prejudice pursuant to Order No. 37, and the plaintiffs in the listed remanded cases have, by not responding to the show cause directions contained in Order No. 39, disavowed any participation in any appeal with respect to Order No. 37.

(g) All claims against Bristol-Myers Squibb Co., Medical Engineering Corp., Baxter Healthcare Corp., Baxter International Inc., and Minnesota Mining and Manufacturing Co. ("3M"), and their subsidiaries are remanded to the indicated state courts, but may be pursued in state court only upon demonstration that the plaintiffs, if eligible, timely opted out of the original Global Settlement or the Revised Settlement Program ("RSP") provided by those defendants. This court expects plaintiffs to file in state court, after remand, voluntary dismissals of claims against settling defendants that are precluded by the RSP and will retain jurisdiction to enforce by injunctive decree, if necessary, restrictions against pursuit of such claims.

NOTE: THOSE CASES MARKED WITH AN ASTERISK (\*) MERIT SPECIAL ATTENTION AS TO DEMONSTRATION OF OPTOUT. A SEARCH BY DEFENDANTS INDICATES THAT ONE OR MORE OF THE IMPLANT-PLAINTIFFS IN THESE CASES MAY NOT HAVE OPTED OUT.

(h) All claims against Inamed Corp., and McGhan Medical Corp. are remanded to the indicated state courts, but may be pursued in state court only if those defendants default in payment of their obligations under the Revised Settlement Program or upon demonstration that the plaintiffs, if eligible, timely opted out of the original Global Settlement or the Revised Settlement Program provided by those defendants.

(i) All claims against other defendants not described in paragraphs 1(a) through 1(h) above are remanded to the indicated state courts.

(j) Further proceedings in state courts will be governed, in general and to the extent applicable, by the orders previously entered in MDL 926 and Master File No. CV 92-P-10000-S.

(1) To the extent not inconsistent with state law, the provisions of Order No. 30, Order No. 30F, and Order No. 30G will apply to such further proceedings, except that paragraph 8 of that Order No. 30 and Order No. 13, imposing an assessment on recoveries for "common benefit" services and expenses, will not apply to recoveries by plaintiffs who exercised their initial right to opt out of the *Lindsey* class and whose state-court case was removed to federal court solely under the "related to bankruptcy" jurisdiction.

(2) The deposition testimony of the members of the National Science Panel, appointed under Orders No 31 and 31D, will, when taken, be admissible and usable in the state courts to the same extent as if taken before remand of the case to the state court.

(3) The temporary injunction against certain settlement discussions, previously entered by this court, was vacated effective September 1, 1997.

(4) Plaintiffs have previously been ordered to respond to

questionnaires approved by this court. Remand courts should not permit plaintiffs to proceed further with the prosecution of claims until they have provided, upon request, defendants with responses to such questionnaires (or with the substantial equivalent through state-authorized discovery).

(5) This court has previously transmitted to most of the state courts to which cases are being remanded a copy of Order No. 30 and the various orders listed in Appendix A to Order No. 30 with which the state courts should be made aware. The parties in the remanded cases are directed to ascertain from the state courts whether such courts have previously received such orders and, if not, to contact the Clerk of this court to obtain, for transmittal to the state courts, a "package" of such orders. Later orders of general interest would include Order No. 31\* (National Science Panel), Order No. 36 (on-going studies), Order No. 37 (partial summary judgment for Union Carbide), Order No. 38 (summary judgment for General Electric). These orders, including the stipulation regarding objections to documents and the appendices to that stipulation, can also be obtained through the Internet at [www.fjc.gov/BREIMLIT/mdl926.htm](http://www.fjc.gov/BREIMLIT/mdl926.htm).

(6) This court's file for most of these cases will not include pleadings, motions, etc. that were filed in state court before removal or in the federal transferor court before transfer to this court. The parties in the remanded cases should make arrangements with the Clerk of the federal transferor court for transmission of documents from those court's files that may be needed to complete the state court file.

3. This order will be filed in Master File CV 92-P-10000-S and will be filed (without the appendix) in each of the listed cases.

This the 14th day of October, 1997.
