NORTHERN DISTRICT OF ALABAMA

IN RE:) Civil Action No. CV 92-P-10000-S
SILICONE GEL BREAST IMPLANTS)
PRODUCTS LITIGATION (MDL 926)) (This Document Relates to All Cases)

ORDER NO. 5 (REVISED)

It appearing that changes in the operational facilities of the Plaintiffs' Steering Committee and Plaintiffs' Liaison Counsel have resulted in the need to modify the service provisions contained in this Court's original Order No. 5, it is hereby ordered that service on Plaintiffs' Steering Committee and on Plaintiffs' National Liaison Counsel (whether of documents prepared by parties or of documents and orders of the Court) should NOT be made separately on Liaison Counsel (Francis H. Hare, Jr., and J. Michael Rediker) at their individual office addresses, but rather should be made by a single transmission as follows:

Office of Plaintiffs' Liaison Counsel
MDL 926 Breast Implant Litigation
2008 Second Avenue North
The Singer Building
Birmingham, AL 35203

In accordance with Order No. 5, case-specific materials prepared by parties should also be served on counsel for the affected individual plaintiffs. Mr. Hare and Mr. Rediker remain as Liaison Counsel for Plaintiffs; this order affects only how service on them is to be made.
This the 11th day of February, 1998.
