ORDER No. 42

(Show Cause Why Listed Cases Should Not Be Remanded to Federal Transferor Courts)

Pending before the court are motions or letter-requests by plaintiffs or defendants in the cases listed in the appendix to this order, requesting remand to federal "transferor" courts of such cases. Upon consideration, it is ORDERED as follows:

1. All affected parties are directed to show cause in writing to this court by April 13, 1998, why this court should not, under Rule 14 of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation ("JPMDL"), suggest to the JPMDL that the listed cases be remanded to the transferor courts subject to the terms and conditions specified in this order. The parties are expected to be very specific as to any objections (*e.g.*, that there are dispositive motions under submission that can best be determined by this court, that the only claims by plaintiffs are against defendants participating in the Revised Settlement Program and none of the plaintiffs has "opted out" of the settlement, or that the plaintiffs are unwilling to forgo participation in any appeal relating to the summary judgments recently granted in favor of Union Carbide Corporation and General Electric Company).

2. Affected parties are requested to provide the court with corrections as to such matters as case captions and case numbers.

3. The terms and conditions under which such remands, if ordered by the JPMDL, will be effected are as follows:

(a) All claims against Dow Corning Corp. and Dow Corning Wright (including any crossclaims or third-party claims by defendants against Dow Corning Corp. or Dow Corning Wright) will, to the extent not previously dismissed, be severed and not remanded. Such claims will, however, be administratively closed in this court and dismissed without prejudice to the institution and pursuit of such claims in the United States District and Bankruptcy Courts for the Eastern District of Michigan in accordance with procedures established in those courts. This court will, however, retain jurisdiction to vacate such dismissals and reopen such claims against Dow Corning on written motion if filed within 30 days after reorganization proceedings of Dow Corning are dismissed or within 30 days after the Eastern District of Michigan determines that reopening of such cases against Dow Corning is the procedure to be followed in liquidating such claims.

(b) All claims by any party against The Dow Chemical Company, Inc. and Dow Holdings Inc. will, to the extent not previously dismissed or transferred, be severed and transferred to the United States District Court for the Eastern District of Michigan. Any requests for transfer of such claims to another federal court or for remand of such claims to state court will be determined by the Eastern District of Michigan.

(c) As explained in Order No. 30 and Order No. 30G, all claims against the following companies have been dismissed with prejudice: Bioplasty, Inc.; Bio-Manufacturing, Inc.; Cabot Medical Corporation; Corning, Inc.; Foamex Products, Inc.; General Felt Industries, Inc.; Knoll International Holdings, Inc.; Recticel Foam Corporation; Scotfoam Corporation; Scott Paper Company; Surgitek, Inc.; '21' International Holdings, Inc.; '21' Foam Company, Inc.; and Uroplasty, Inc.

(d) Any claims against Mentor Corporation; Mentor Polymer Technologies, Inc.; Mentor O&O, Inc.; Mentor H/S, Inc.; Mentor Urology, Inc.; Mentor International, Inc.; and Teknar Corp. relating to breast implants implanted before June 1, 1993, will be dismissed with prejudice.

(e) All claims against General Electric Company have been dismissed with prejudice pursuant to Order No. 38. The plaintiffs in the remanded cases will be deemed to have disavowed any participation in any appeal that may be initiated and pursued with respect to Order No. 38.

(f) Any claims against Union Carbide Corporation based on its 1990-1992 ownership of McGhan NuSil Corporation will be remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program. All other claims against Union Carbide Corporation, as well as all claims against Union Carbide Chemicals and Plastics Company, Inc., have been dismissed with prejudice pursuant to Order No. 37, and the plaintiffs in the remanded cases will be deemed to have disavowed any participation in any appeal that may be initiated and pursued with respect to Order No. 37.

(g) All claims against Bristol-Myers Squibb Co., Medical Engineering Corp., Baxter Healthcare Corp., Baxter International Inc., Minnesota Mining and Manufacturing Co. ("3M"), and their subsidiaries will be remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program.

(h) All claims against Inamed Corp. and McGhan Medical Corp. will be remanded to the indicated transferor court. Unless such companies default in payment of their obligations under the Revised Settlement Program ("RSP"), such claims will be subject to dismissal in the transferor court as to any plaintiff who, though eligible, failed to opt out of the RSP.

(i) All claims against other defendants not described in paragraphs 1(a) through 1(h) above will be remanded to the indicated federal courts.

(j) Further proceedings in the transferor courts will be governed, in general and to the extent applicable, by the orders previously entered in MDL 926 and Master File No. CV 92-P-10000-S.

(1) Each plaintiff must, within 60 days after remand, serve upon the defendants in the case a completed questionnaire as previously prescribed by this court. This requirement does not apply if the plaintiff has previously served such a questionnaire on the defendants (or previously answered interrogatories seeking similar information) and such information is accurate and complete.

(2) Any motions for transfer under 28 U.S.C. § 1404 or § 1406, or for remand to state court, will, if not ruled upon by this court before remand, be decided by the transferor court after reman. If any such motions are granted by this court, the JPMDL will be notified so that the

case can be removed from the list of those to be remanded to transferor courts.

(3) The provisions of Order No. 30, Order No. 30F, and Order No. 30G will apply to such further proceedings, including paragraph 8 of Order No. 30 which imposes an assessment on recoveries for "common benefit" services and expenses.

(4) The deposition testimony of the members of the National Science Panel, appointed under Orders No 31 and 31D, will, when taken, be admissible and usable to the same extent as if taken before remand of the case.

4. This "show cause" order will be filed only in Master File CV 92-P-10000-S. After expiration of the time for indicating objections, a new order will be prepared for docketing and filing in those cases that this court recommends be remanded by the JPMDL.

5. Plaintiffs who seek a remand to a federal transferor court, under the terms and conditions specified in this order, of additional cases not listed in the Appendix are requested to submit appropriate motions identifying such cases (including this court's case number and the transferor court and case number). It is anticipated that any such cases will be the subject of a later "show cause" order.

6. Any pending motions or letter-requests for remand to federal transferor courts of cases not listed in the Appendix are denied, but without prejudice to filing of a new motion under paragraph 5.

This the 19th day of February, 1998.
